

# MONACO CORPORATE BOND EUROPE

December 2017  
Fund under Monaco Law

## Investment Objective

ISIN : MC0010000487

The fund is suitable for clients looking to build an exposure to the Euro denominated corporate bonds market. It is a financial instrument in which the client may invest part of his assets, with a recommended investment horizon of at least 3 years. The objective is to generate capital gains in the medium run. In the case where an investment for a shorter time horizon is considered, the client should be informed about the levels of volatility and risk inherent to bond markets in the short run.

## Fund Data

The fund has obtained the permit n°2008-01 dated July the 21st 2008 by the Commission de Contrôle des Activités Financières.

The complete prospectus is available to clients at any CMB branch.

## Historic performance

Past performance is not a guarantee of future performance. It should be remembered that the value of investments may fall as well as rise, investors may not get back the amount of money invested, currency movements may have a negative as well as positive influence on returns and past performance is not necessarily an indicator of future performance. Any investment decision should be made solely on the basis of the information and risk warnings contained within the information memorandum and/or prospectus issued by or on behalf of the fund.
