The management is discretionary and conviction based and the fund is diversified across sectors, ratings, interest rate sensitivities and seniorities.

**RISK PROFILE**

Risk/lower potential reward

Risk/higher potential reward

The risk indicator, based on past volatility, cannot cover all types of risks to which the fund may be exposed. It is possible that the past data used does not constitute a reliable indication of the future risk profile. The category associated with this fund is not a guarantee and can evolve with time. The lowest category is not synonymous with a "riskless" investment.

**PERFORMANCE**

Past performance is not a guarantee of future performance, nor is it constant with time and does not constitute in any case a guarantee of future performance.
