

CMB GLOBAL LUX-DETTE EMERGENTE(USD)

Fund under Luxembourg law

Investment Objective

The object of the Fund (the « Feeder Fund ») is the same as that of Neuberger Berman Emerging Market Debt Blend Fund (the « Master Fund ») which is the research of a positive absolute performance. The Feeder Fund of Irish law will be invested at least 85% of its active in the parts of 12 USD distribution of the Master Fund, which is under Irish Law. The Feeder Fund will be able to invest on an ancillary basis in liquidity. The Master Fund invest mainly in sovereign bonds and in corporate bonds issued in the emerging markets Countries denominated both in hard currency and local currency . The investements denominated in hard currency refer to the investements denominated in US dollar, in euro, in pound sterling, in yen japanese and in swiss franc. The performance of the Feeder Fund could be less than that of the Master Fund, considering its own management fees. The investor will be able to buy or sell parts of the Fund with a daily frequency. The distributable/surplus returns of the Fund will be paid as dividend.
