

MONACO HEDGE SELECTION

September 2017
Fund under Monaco Law

Investment Objective

ISIN : MC0010000115

Monaco Hedge Selection aims to give access to Alternative Investments as an asset category, in order to enable a better diversification of assets within an investment strategy, as the statistical decorrelation between alternative investments and directional products, like stocks or bonds, enables to reduce the overall risk profile. The fund of fund aims at diversifying its investments at all time, on at least six different alternative investment strategies and at least twenty different Hedge funds. It offers liquidity on a weekly basis.
